

SUDAIS ZAFAR

PROFESSIONAL SUMMARY

I had to pause my FSC studies after a serious accident in September 2024. During recovery, I found my passion for UI/UX design, began self-learning, and have since worked as a freelance designer creating intuitive, engaging user experiences.

WORK HISTORY

UI/UX designer, 05/2024 to Current

Freelance - Gujranwala, Pakistan

I'm a beginner UI/UX designer currently working on personal projects, including a fitness mobile app and an interactive portfolio for a family member. I'm learning tools like Figma and Adobe Creative Suite, and I enjoy prototyping and creating user-friendly, interactive designs. This is helping me build design and communication skills, even without formal work experience.

EDUCATION

Intermediate, ICS, 04/2024 - Current

Little Scholar High School - Gujranwala

I was unable to continue my ICS studies due to a serious accident in September 2024, which required a prolonged period of recovery. Despite this setback, I remained committed to my academic and professional growth.

Matriculation, Science, 01/2022 to 03/2024

Little Scholar High School - Gujranwala

HOBBIES AND INTEREST

- Exploring Modern UI Trends
- Creative Sketching & Digital Illustration
- Gaming (for UI inspiration and relaxation)
- User Behavior Research
